SLO Jazz Festival Membership Society for 2017 Programs

Our Events and Programs:

4th Annual SLO Jazz Festival
— May 20, 2017. We hope to expand the jazz festival in 2017. We've grown the jazz festival from a half-day 2-stage event to full-day 4-stage event with stages for International & regional acts, a side stage for regional and local bands, a stage for college bands and high school bands. We hope to grow the jazz festival to multiple days and grow the number of stages each year.

Our Events and Programs:

Fall Fest

2017 Fall Fest. The Fall Music Fest is our newest annual event, comprised of multiple concerts across the Central Coast in various venues ranging from ballrooms to wineries. We hope to grow Fall Fest from 3 concerts in 2016, our inaugural event, to 6-8 concerts in 2017, depending upon fundraising and sponsorships. Fall Fest is multi-genre and offers a chance to hear music on the fringe of jazz. Fall Fest includes silent auction fundraising for SLO Jazz Festival as well as a raffle benefiting local nonprofit charities.

2017 **Fall Fest**
