Rebirth Brass Band's Statement Re: 2016 SLO Jazz Festival

SAN LUIS OBISPO, CA: "Due to circumstances far beyond our control and with a heavy heart, we are sorry to say we are unable to perform for you today. Our fans in California hold a very special place in our souls and were some of the first to embrace us after Katrina. [Please] know that there is nowhere else we would rather be than here with you today. We promise we will return soon to make this up to each and every one of you."
